

One Colour Coolers - Neoprene Colours

Please note that all of the colour swatches below are close representations only. The colours of your finished product may vary from these swatches.

If colours are critical then you will need to get a pre-production sample to ensure the colours are acceptable. There are charges involved but without this there can be no guarantee of colour correctness.

Turquoise - Pantone 314 C

Navy - Pantone 532 C

Royal - Pantone 7641 C

Purple - Pantone 7679 C

Yellow - Pantone Yellow 012 C
